*Dear Members*

This is the last issue of Thai Journal of Gastroenterology for the year 2013. In this issue, there are multiple interesting pictures in the X-ray corner. The title is “Approach to Small Bowel Obstruction”. There are 3 interesting cases of EUS in Endo corner. Moreover, there is a topic review about “*Lactobacillus: Prevention and Treatment of Salmonella Diarrhea*”. We also have 6 original articles in various fields of GI diseases.

We are looking forward to seeing you in our annual meeting with the theme of “Multidisciplinary approach in Gastroenterology” at Cha Am, Petchburi, 19-21 December 2013, and also the 9<sup>th</sup> Enterocolonic Day which is held at Amphawa, Samut Songkhram, 18 January 2014.

Before we even notice it, another year has gone by. On behalf of TJG Editorial Board, we wish you a year of good health, much joy and no mischief. Let us leave all the worries of the last year behind and thus begin a new coming one with happiness, prosperity, blessing as well as our best regards. Have a wonderful New Year!
